

# LD D245

*Affordable, high-quality duplication*

*This reliable digital duplicator delivers exceptional image quality and fast output speeds in an affordable design that is ideal for faith-based organizations and nonprofits*

*your document management partner*

## FEATURES

The Lanier LDD245 provides everything you need to print large volumes of high-quality documents at a very affordable price. This reliable digital duplicator comes standard with 11" x 17" output, so you can easily print large quantities of ledger-size bulletins and newsletters. The unique, thickened master material ensures excellent image quality on every page and helps minimize ink consumption to reduce your supply costs. Plus, the system features a very low cost-per-page for large jobs. All of which makes the LDD245 a superior choice for faith-based organizations, nonprofits, and other cost-conscious users.

### Outstanding image quality

- Exceptional 400 x 400 dpi resolution for bulletins, newsletters, handouts, training guides, and other documents
- Additional microporous layer in thickened master enhances ink density for higher image quality and lower ink consumption
- Automatic print pressure control adjusts system to compensate for changes in speed, temperature, and humidity — without user intervention

### Fast output for large workloads

- Delivers up to 120 pages per minute for high productivity
- Handles a wide range of paper stocks up to 110 lb. index
- Retry mechanism virtually eliminates misfeeds from thin or inexpensive paper
- Offers 11 standard color inks for high-quality spot color output
- Optional controller enables network printing in Windows environments

### Affordable to own and operate

- Engine life far exceeds the durability of most digital copiers
- Master yields 4,000 pages and minimizes ink usage to reduce supply costs on long runs
- Achieves a lower cost-per-page than digital copiers for large print jobs

## SPECIFICATIONS

### GENERAL FEATURES
