

LP2222cn

PRINTERS

Cost-effective color printing

This reliable network printer delivers high-quality color and black-and-white output and offers exceptional value for small offices and workgroups

your document management partner

LP222cn

FEATURES

Select the Lanier LP222cn to enhance every document with brilliant, business-quality color. This highly cost-effective laser printer is among the most affordable in its class, and it delivers excellent image quality for full-color and black-and-white output. Small workgroups and small office/home office users will appreciate its outstanding total value. The LP222cn also offers industry-standard connectivity and easy remote management, making it a safe, worry-free addition to any network.

Productive network printing

- Prints up to 22 color or 22 black-and-white pages per minute
- Image quality up to 1200 dpi
- High productivity for color, black-and-white, and mixed jobs
- Fast, affordable color makes it easier to energize your documents
- Built-in duplexing runs at 95% of rated speed to save paper

High-performance controller

- Fast processing speed and robust RIP capabilities
- Handles large images with outstanding efficiency

Industry-standard connectivity

- Integrates easily in virtually any network environment
- Includes Adobe PostScript 3, PCL5c, PCL6, RPCS, and PDF out of the box
- USB 2.0, Ethernet, and parallel (optional) interfaces offer plug-and-play convenience
- Comes standard with intuitive remote-management utilities
- Optional wireless connectivity for easy placement

SPECIFICATIONS
